

## Verse 1

Dm                                      Gm7  
Holy Jesus, You reign  
C    F/A  
Standing here, we proclaim  
Bb                                      Gm7                                      C  
You are Glorious God, and matchless King.

## Verse 2

Dm                                      Gm7  
Holy Father we pray,  
C    F/A  
As we look to Your face  
Bb                                      Gm7                                      C  
That Your Spirit will change our hearts to glorify Your name

## Chorus

F                      Bb                      Gm7                      C  
Holy Spirit, fall                      Holy Spirit, fall  
  
F/A                      Bb                                      Csus4                      C  
We declare You Lord of all,                      Holy Spirit, fall

## Bridge *(can be sung over top of Chorus)*

F                                      Bb                                      Gm7  
We declare you are the Living God today  
C/E                                      F/A  
We will praise You for Your holiness and grace  
Bb                                      Csus4                                      C  
Hallelujah to You King of Glory, Jesus have Your way
