

Verse 1

Lord God of all time,
God of our hearts, God of our minds,
You call us now by Your name
To live like we are one,
As You desire, united in love.
Giving You glory and praise

Chorus

Highly exalted Lord above
You will never give up on us
We are Your people, and You are our God
Humbled, forgiven, by perfect love

Verse 2

Christ living in us,
Jesus You paid the the greatest cost
Taking our sin and our shame
Lord, we as Your church
Cannot express all that You're worth,
But You delight in our praise

Chorus

Highly exalted Lord above
You will never give up on us
We are Your people, and You are our God
Humbled, forgiven, by perfect love

Bridge

Lord we praise You, King forever
Thank You Jesus, Holy Saviour

Chorus

Highly exalted Lord above
You will never give up on us
We are Your people, and You are our God
Humbled, forgiven, by perfect love
