

SONG FOR THE CITY

(LORD, YOU KNOW THIS PLACE BY NAME)
© Andy Clark 2017

Verse 1

Lord, You know this place by name
Shaped and formed it in Your love
We are not here by mistake
You have got a plan for us

Verse 2

Father, may this city rise
Stand to worship You alone
Every heart would realise
Jesus is the only hope

Chorus

Sovereign Lord, oh we pray: Show Your power to the world today
Shake the walls with Your might, Shine so no-one can ignore Your light
We want this city to bow its knees
And come to worship the King of kings
And all together we will proclaim:
"You reign forever! Praise Your almighty Name!"

Verse 3

Jesus, would Your Kingdom come,
Softening hearts and open eyes
Every soul redeemed and won,
Knowing You are truth and life

Verse 4

Father, now we pray in faith:
Holy Spirit, claim this ground
Let these streets declare Your praise
Jesus, let Your name resound!

(Chorus)

Chorus 2

We want this nation to bow its knees
And come to worship the King of kings
And all together we will proclaim:
"You reign forever! Praise Your almighty Name!"
